

Important information while traveling overseas with your NDB Card.

- Please inform our 24-hour contact center via 0112448448 of your travel plan prior to departure including any transit points.
- Your NDB card is secured with smart chip & PIN, therefore you may be requested to enter your Card PIN at the merchant location POS terminal to authorize the purchase transaction instead of the signature.
- Tap & Go contactless transaction limits overseas are allowed **up to USD 100** and may vary depending on the country's regulations.
- All NDB Platinum, signature & Infinite Credit cardholders are eligible for complimentary Travel insurance provided the return air ticket is purchased through the NDB Credit Card. Refer <https://bit.ly/3mdW2rM> for more details.
- Kindly note that overseas transaction limits have been removed with effect from 14th March 2023, however the standard daily card transaction limits will apply.
