## General Key Facts

### Coverage of deposit insurance

All eligible deposits are insured under the Sri Lanka Deposit Insurance Scheme as per the prevailing Directions and Regulations issued by the Central Bank of Sri Lanka (CBSL), in order to compensate eligible depositors up to any maximum amount as may be determined by the CBSL from time to time, in the event of the Banking License issued to the National Development Bank PLC (NDB Bank) is cancelled by CBSL.

### Dormant/ Inactive & Abandoned Accounts

Any Current or Savings account including foreign currency accounts which has

- (i) no customer initiated transactions for a consecutive period of twelve (12) months will be classified as “Inactive” and
- (ii) no customer initiated transactions carried out for a consecutive period of twenty four (24) months shall be classified as “Dormant”

by NDB Bank.

The Account Holder should reach out to his/her Branch Manager or Relationship Manager and submit a written request to activate an account classified by the Bank as “Inactive”/“Dormant”.

Accounts on which no customer-initiated activity has been recorded for a period of ten (10) years are described as abandoned properties under the Banking Act No 30 of 1988, which are then transferred to the CBSL, in terms of the directions issued by the CBSL, from time to time.

In the event the Account Holder requires to claim such abandoned properties transferred to the CBSL, he/she should reach out to his/her Branch Manager or Relationship Manager and submit a written request in the standard format of the Bank (available at any of the Bank branches).

### Complaint handling procedure

The Account holder shall have the right to make any complaint to the Bank verbally or in writing to the nearest branch or Bank's call center or to the head office as published via the Bank's official website or any official publication or notice of the Bank as per the procedure given therein. In the event a complaint is not resolved the account holder may seek recourse through the Financial Ombudsman (As per details in the last page of this document)

### Associated Key Risks – NDB Savings Planner/Minor Savings Planner

In the event the Account Holder does not pay the monthly installment and/or discontinues payment, the rate of interest applicable for the Savings Planner Account will be decided at the sole discretion of the Bank.

### Guarding Personal Information

Customers should refrain from sharing sensitive information, such as passwords, PINs, OTPs, etc., under any circumstance since this information is critical in safeguarding the financial assets of the customer. Customers should not maintain any written record of PINs, passwords in any place or manner that may enable a third party to access

this sensitive information. PINs, passwords, OTPs are non-transferable and for exclusive use of the relevant customer only. The customer is liable to keep such sensitive information strictly confidential.

#### **Account Access Control**

Customers should not permit third parties to operate their accounts since they may be held accountable and required to co-operate with Law Enforcement Agencies in the event of unauthorized transactions.

The Bank may, however at its discretion, decline such request in the event such requirements are not met to the satisfaction of the Bank.

Customers have the option to close any of their accounts by providing prior written notice to the Bank. However, it is important to note that there may be applicable bank charges associated with the closure of any accounts.

The Bank reserves the right to close, freeze or suspend dealings of any Account at its own instance or at the instance of any court or regulatory or administrative order, and also retains the right to close accounts which are classified as Dormant/Inactive for a period of twenty four (24) months and/or where the minimum balance, as determined by the Bank from time to time, is not maintained, after giving prior written notice to the customer .
